

Help Support!

Wonderland Camp, founded in 1972 with the help of the Missouri Jaycees, is a residential summer camp for mentally and physically challenged children and adults. Located at the Lake of the Ozarks, it is a place designed to meet their special needs and provide them with maximum safety while giving them the freedom to enjoy nature. Not only does it provide a place where these special individuals can enjoy the exhilaration of outdoor living and play, it also provides their caregivers with a much-deserved break from their duties.
